### Specifications

Package Size	<input type="text"/>	mm
Frequency	<input type="text"/>	MHz
Operating Temp Range	<input type="text"/>	C
Frequency Tolerance at 25C	<input type="text"/>	ppm
Frequency Stability over temp range	<input type="text"/>	ppm
Load Capacitance	<input type="text"/>	pF
Mode of Operation (if available)	<input type="text"/>	
ESR (if available)	<input type="text"/>	ohms

### Program Details

Application	<input type="text"/>
Estimated Annual Usage	<input type="text"/>
Production Start Date	<input type="text"/>
Production Location	<input type="text"/>
